III. CITY & COUNTY ZONING CASES:

CASE NUMBER Z - 11 - 2010 APPLICANT(S): Frances D. Spencer  
Agent: Syd Hedrick

REQUEST: AG Agricultural District  
to R-4 Multiple Family Residential District

LOCATION: 540 ft. SW of the intersection of Centerstone Circle and Needmore Rd; 1,665 +/- ft. from the intersection of Needmore Rd and Trenton Rd; fronting on the south side of Needmore Rd

TAX MAP(S): 031 PARCEL(S): 054.06 ACREAGE: 9.7 CIVIL DISTRICT(S): 2

REASON FOR REQUEST: Property located in growing area of both residential and commercial use. Due to proximity to I-24 and 101st Pkwy, highest and best use would be for multi-family residential zoning.

Mr. Riggins read the case and gave the staff recommendation for approval. Other multi family zoning and PUD zoning classifications are located within the immediate area. This request can provide for a transition from commercial zoning to the south and the single family developments to the north. A traffic assessment has been conducted and is acceptable to the Street Department. Further evaluation of access point and site distance will be conducted in conjunction with construction plans.

Mr. Syd Hedrick, agent, stated that he felt this would be good in fill property and was present to answer any questions.

There being no more discussion, Mr. Harrison moved to recommend approval. The motion was seconded by Mr. Marks and carried unanimously.
