III. CITY & COUNTY ZONING CASES:

CASE NUMBER Z - 21 - 2011 APPLICANT(S): Space For Lease  
Trent Knott

REQUEST: M-3 Planned Industrial District  
to C-5 Highway & Arterial Commercial District

LOCATION: North of Madison Street and West of 76 Connector  
TAX MAP(S): 081 PARCEL(S): 054.01 ACREAGE: 17.27 CIVIL DISTRICT(S): 11  
REASON FOR REQUEST:

Mr. Spainhowad read the case and gave the staff recommendation for approval. Request is an extension of C-5 zoning to the south. C-5 zoning is Highway and Arterial Commercial district and this property is located adjacent to a major arterial intersection. The City of Clarksville's traffic engineer's summary indicates a potential LOS "F" for the left turn exiting onto Madison Street during peak hour afternoon times. The staff feels that the left turn exiting to Madison Street will continue to be an issue regardless of the zoning classification of this property.

Mr. Trent Knott, applicant, stated that there is a back exit to Martin Luther King Boulevard that he prefers to use instead of Madison Street.

There being no more discussion, Mr. Grubbs moved to recommend approval. The motion was seconded by Mr. Powers and carried with Mr. Rocconi abstaining from the vote.

\*\*\*\*\*

CASE NUMBER Z - 22 - 2011 APPLICANT(S): C M C Community Action Agency

REASON FOR REQUEST: Relocate 8 preschool classrooms, administrative offices of federally-funded private non-profit.

Mr. Spainhoward read the case and gave the staff recommendation for approval. O-1 zoning will serve as a transition between existing C-2 and R-1. Would not be out of character with the surrounding area.

Ms. Leslie Chiodini, applicant, stated that this will allow them to put 51 more students into five additional classrooms.

There being no more discussion, Ms. Larson moved to recommend approval. The motion was seconded by Mr. Nichols and passed with Mr. Grubbs abstaining from the vote.

\*\*\*\*\*

CASE NUMBER Z - 23 - 2011 APPLICANT(S): Joseph K. Lingauer

REQUEST: R-1 Single-Family Residential District  
to C-5 Highway & Arterial Commercial District

TAX MAP(S): 054 G-F PARCEL(S): 045.00 & 046.00 ACREAGE: 3.82 CIVIL DISTRICT(S): 7th  
054 G-F 013.00 (portion)

REASON FOR REQUEST: Truck tire center.

Mr. Spainhoward read the case and gave the staff recommendation for approval. C-5 zoning is a Highway and Arterial Zoning District and this request fronts on an arterial highway. Hwy. 79/Dover Road is a high traffic corridor.

Mr. Lingauer, applicant, stated that he is expanding business.

There being no more discussion, Mr. Rocconi moved to recommend approval. The motion was seconded by Mr. Nichols and carried unanimously.

\*\*\*\*\*

III. CITY & COUNTY ZONING CASES (CONT.):

Agent: David H. Dabbs

REQUEST: C-2 General Commercial District
to C-5 Highway & Arterial Commercial District

LOCATION: East of Ted Crozier Blvd. & North of Dunlop Lane 500 +/- feet North

TAX MAP(S): 040 PARCEL(S): 004.01 ACREAGE: 25.60 CIVIL DISTRICT(S): 6

REASON FOR REQUEST: Potential buyer will need property zoned C-5. This will conform to property already on this tract.

Mr. Spainhoward read the case and gave the staff recommendation for approval. This request is an extension of an existing C-5 zone. C-5 request is not out of character with the surrounding properties.

Mr. Mitchell Ross, agent, stated that there is a potential buyer for the property and the zoning would need to change to accommodate a hotel.

There being no more discussion, Ms. Larson moved to recommend approval. The motion was seconded by Mr. Grubbs and carried unanimously.

\*\*\*\*\*

CASE NUMBER Z - 25 - 2011 APPLICANT(S): Mack Phillips

REQUEST: AG Agricultural District

REASON FOR REQUEST: For residential development.

Mr. Spainhoward read the case and gave the staff recommendation for approval. Single family residential development is prevalent in this area. Land Use Opinion Map shows the property as recommended for single family residential. Extension of a residential zone would be compatible with the surrounding area. High demand for single family development due to location.

Mrs. Johnnie Buhler, adjacent property owner, stated that she was in opposition and stated that she would like to see larger lots.

There being no more discussion, Mr. Powers moved to recommend approval. The motion was seconded by Mr. Rocconi and passed with Mr. Kelly abstaining.

\*\*\*\*\*

CASE NUMBER Z - 26 - 2011 APPLICANT(S): Industrial Development Board C/o Mike Evans

REQUEST: M-2 General Industrial District

TAX MAP(S): 006 PARCEL(S): 001.00 ACREAGE: 25.16 CIVIL DISTRICT(S): 3rd

REASON FOR REQUEST: To develop property into a residential subdivision similar to Fox Meadow.

Mr. Spainhoward read the report and gave the staff recommendation for approval. Property is completely surrounded by residential uses. R-2 request is an extension of an existing R-2 zone. Adequate utilities are available for the area and in-fill development with higher density should be encouraged where utilities are already available.

Mr. Vernon Weakley, agent, stated that he was present to answer any questions.

There being no more discussion, Mr. Grubbs moved to recommend approval. The motion was seconded by Mr. Nichols and carried unanimously.

\*\*\*\*\*

Mr. Spainhoward read the case and gave the staff recommendation for approval. EM-1 is currently located in the vicinity on Hogue Road and other EM- 1 requests have been approved in the area. Parcel is located within the rural area of the growth plan. EM-1 is an allowable zone district within the rural areas. Zoning would not adversely affect the surrounding property.

Mr. Billy Ray Suiter, agent, stated that he was present to answer any questions.

There being no more discussion, Ms. Larson moved to recommend approval. The motion was seconded by Mr. Nichols and carried unanimously.

\*\*\*\*\*

Mr. J.P. Lowe, agent, stated that he was present to answer any questions.

There being no more discussion, Mr. Grubbs moved to recommend approval. The motion was seconded by Mr. Nichols and carried with Mr. Rocconi abstaining from the vote.

**STAFF RECOMMENDATION:** DEFERRAL, PENDING SUBMISSION OF ADDITIONAL INFORMATION

Ms. Russell read the case and gave the staff recommendation.

Mr. Mitchell Ross, agent for applicant, stated that this use is a specific permitted use in the Zoning Resolution. He then read off the staff conditions and how the applicant had completed those requirements. He stated that this has been zoned C-5 since 2005 and the property was purchased from the developers of Farmington Subdivision. Mr. Ross added that there would be a 1600' square feet building for showers and restrooms. Mr. Ross stated that a landscape Level D buffer would be required between the two zones.

Mr. Patrick Long, adjacent property owner, stated that he was in opposition and stated negative home values, security, aesthetics and loss of community as his concerns.

Mr. George Dean, attorney retained by Farmington Subdivision residents, stated that there is no definition in the County Zoning Resolution regarding C-5 adjacent to R<sub>1</sub> or R<sub>2</sub> zoning.

Mr. Rick Reda, adjacent property owner, stated that he too was in opposition. He stated that he felt the Growth Plan needed revision.

Mr. Powers asked about a use determination from Mr. Rod Streeter, County Building and Codes Director. Mr. Streeter stated he was in favor of a deferral to investigate further into this matter.

There being no more discussion, Mr. Nichols moved to defer this for 30 days. The motion was seconded by Mr. Grubbs and passed unanimously.
